

PLAN OPEN SESSION FOR MEN'S SENATE

Old Dominion Boat Club
Will Hold Meeting This
Evening.

WASHINGTON TIMES BUREAU,
ALEXANDRIA, VA., JUNE 2.
At the Young Men's Senate meeting at the Young People's Building, in South Washington street, last evening, arrangements were completed for the holding of an open session of the senate next Tuesday evening, when the senate will close for the summer months.

After the meeting of the senate the ladies of the Methodist Episcopal Church South invited the members to a banquet.

The Old Dominion Boat Club will hold a meeting at the boathouse on the river front at 8 o'clock this evening. At this meeting several applications for membership will be received and plans for the summer will be completed.

The funeral of the late Mrs. Margaret Fisher will be held from her home, 313 South Patrick street, tomorrow afternoon. The burial will be made in the Union Cemetery.

The remains of the late William Conner were this morning sent to Washington for burial. His funeral will be held tomorrow morning.

Mamie Bumby and Jennie Harris, both colored, were last night arrested in the house of "Tillie Washington," on Woolf street, by Police Officer Young, charged with stealing \$100 from John O. Jones in Washington. They were turned over to the Washington police authorities last evening.

The members of the Seventeenth Virginia Regiment Chapter, Daughters of the Confederacy, are making extensive arrangements for a reception to be held at Lee Camp Hall on next Tuesday evening in honor of the birthday of Jefferson Davis. At the reception the joint chapters of the United Daughters of the Confederacy will present the crosses of honor.

Up to noon today nothing had been seen of the body of Mrs. May Wood, wife of Carroll Wood, who was drowned off Marshall Hall when the launch "Tito" burned last Monday afternoon. The searchers are still dragging the river for her body.

Dr. Miyakawa delivered another interesting and instructive illustrated lecture on "Japan" at the Young People's building last evening.

A meeting of the Young Man's Sociality Lyceum was held at their hall, in Duke street, last evening, when plans were perfected for their excursion to Marshall Hall on June 14.

A called communication of Alexandria-Washington Lodge of Masons was held at their temple, in Cameron street, last evening. Degrees were conferred upon a class of candidates.

MAKES GOOD

MISS LENNA DUER.

CALLED IN A PINCH; SHOWS HER TALENT

Miss Duer, of Aborn Opera
Company, Success in
Heavier Roles.

Miss Lenna Duer, youngest member of the Aborn Opera Company, and a Washington girl, had the opportunity of her stage career at the New National Theater last Monday night, when, at a moment's notice, through the indisposition of another player, she was called upon to take the role of "Sing-Sing" in "A Chinese Honeymoon" without time for rehearsal.

Miss Marjorie Ramey had been cast for "Sing-Sing," but was unable to assume the role, and Miss Duer was called upon by the stage manager. The plucky little chorus girl "went on" and, by the applause that followed her speeches, knew she had made a hit in the character, one of the maids to "So-So," the Emperor's niece, played by Miss Blanche Morrison, the prima donna.

In addition to being the youngest member of the company, Miss Duer is considered one of the prettiest. She is but seventeen years of age. This is her second season on the stage.

TO MAKE QUARANTINE OF EARLY STRICTER

Patient Will Be Confined to Certain Part of His Yard.

Regarding it a necessary precaution for the safety of the public, officials of the Health Department announced today that a stricter quarantine is to be maintained over John Early, the leper.

Early at present has the freedom of a yard which extends around the house occupied by him and members of his family. It is planned to erect a board fence which will restrict Early to that section surrounding the part of the house reserved for him.

Improvements to the house in the house reserved for him.

Way of painting and varnishing will be made in the near future.

MACFARLAND STRONG FOR A SANE FOURTH

Commissioner Declares Plan Will Be Easy of Execution,
and Believes the Celebration Will Mark a
Valuable Civic Achievement.

Commissioner Macfarland is convinced that the movement for a safe and sane celebration of the Fourth of July will be a great success.

With the assistance of the United States Government authorities the plans suggested will be easy of execution, he told the members of the Lincoln Park Citizens' Association last evening. The Commissioner called attention to the loss of life that has characterized the celebration of the Fourth in all large cities heretofore, and asked the cooperation of all citizens in the movement. Secretary Nagel, of the Department of Commerce and Labor, and Secretary Dickinson, of the War Department, will co-operate with the local committees, the Commissioner declared, and that the citizens are interested in shown by the increasing number of subscriptions that are being received daily toward the \$2,500 fund being raised.

The following contributions to the citizens' celebration of the Fourth of July were received by W. V. Cox, treasurer of the joint committee of the Board of Trade and Chamber of Commerce today:

Gen. Nelson A. Miles, \$10; John B. Henderson, \$10; Milton E. Allen, \$10; O. B. H. Steinmetz, \$10; F. G. Wagner, \$10; Dr. William E. Tisdall, \$13; A. M. McLachlen, \$5; F. B. Pyle, \$5; Chief F. J. Wagner of the Fire Department, \$10.

In forwarding his subscription, Chief Wagner wrote:

"The proposed plan of celebration cannot but meet with my approval in that it will not only reduce the heretofore long list of casualties to a minimum, but will also lessen the danger from fire. No class of citizens are more heartily in favor of the plan than the officers and members of the Fire Department."

The total amount received to date is \$1,032.

The Anacostia flats came in for considerable discussion by the members of the association. George L. Linkins introduced a resolution calling on the authorities to begin the work of reclamation at this particular point. Mr. Linkins said the flats were not only unhealthy, but formed an eyecore that was a severe detriment to the improvement of the District. A committee was appointed to consider the resolution and report at the next meeting of the organization.

GUESTS OF QUEEN.

ROME, June 2.—On the invitation of Queen Helena, 300 children who were made orphans by the earthquake in Sicily and Calabria attended a garden party in honor of the eighth birthday of Princess Yolanda.

BEER SALES LESS BY TWO MILLIONS

Business Decrease Shown in
Report to Brewers' Convention.

ATLANTIC CITY, N. J., June 2.—"The prohibition wave has reached its height, and the reaction is already beginning to set in." This opinion was officially expressed by the board of trustees of the United States Brewers' Association, in a report presented to that organization, which met here today.

"There is a growing conviction," the trustees said, "that professional advocates of the anti-saloon league movement have overshot the mark, and that their statements are grossly exaggerated, even where they are not purposely misleading. The real leaders of the best thought of the country are coming to realize that there is a safe middle ground upon which all reasonable people can stand."

The report admitted that sales of beer for the nine months from June 30, 1908, to April 1, 1909, showed a decrease over those of the preceding year of \$2,500,000. Returns indicate, it was said, that the decrease in States like Pennsylvania, New York, and New Jersey, which have practically no "dry" territory of consequence, have been as large in proportion as the decrease in States that by area are largely "dry." The trustees declared one undeniable result of anti-liquor legislation had been a big increase in the consumption of spirits.
